

# Despair.

A minor.

Justin Morgan

Oh! Now A - man-da's dead and gone I'll seek to live un-seen, unknown; Oh! un - la - ment - ed let me die, let me die,

Oh! Now A - man-da's dead and gone I'll seek to live un-seen, unknown; Oh! un - la - ment - ed let me die, let me die,

Oh! Now A - man-da's dead and gone I'll seek to live un-seen, unknown; Oh! un - la - ment - ed let me die, let me die,

Oh! Now A - man-da's dead and gone I'll seek to live un-seen, unknown; Oh! un - la - ment - ed let me die, let me die,

Steal from the world and not a stone Tell where I lie, and not a stone Tell where I lie.

Steal from the world and not a stone Tell where I lie, and not a stone Tell where I lie.

Steal from the world and not a stone Tell where I lie, and not a stone Tell where I lie.

Steal from the world and not a stone Tell where I lie, and not a stone Tell where I lie.
